Do we have your e-mail address correct => skipm@mac.com

Thank you for supporting Fantasoft. Keep this form for future reference. You will need the information on this form to re-register future versions of Realmz. It also serves as PROOF of your Realmz purchase.

The serial number of your copy is **13706024** Your registration code is **8566464**

If in the future you need to re-install your Realmz software, you will have to reset the serial number of your copy so it matches the one listed above. To do this enter your verification code **410 instead of your registration code and it will allow you to RESET your serial number so it matches the one listed above.**

To register and personalize your copy of Realmz simply run Realmz and wait for the "About Realmz" window to appear. Then type in the registration code as it appears above to the right of the words "Registration Code" and click REGISTER.

Scenario Registration Information:

When you come to a point in a scenario where it asks for your registration name, enter the name that appears on line 1 below. It will then ask you to enter the registration number as it appears on line 2 to 8 below.
